Recently Active Users Community Rating Community rating is a simple average of all ratings that have been submitted for this application over the past few months. Please make sure that your review contains specific details, including all instructions given to you by the application you are reviewing. All or nothing Posted on July 18, 2011 As a graphic designer, I have used the folder icon for several years. I highly recommend this icon pack. This is the pack that makes my productions look so great. It isn't difficult to install or use. This pack does have a few problems...I'm hoping it can be fixed. I have a full version of the pack, but every time I turn my PC on I have to uninstall the b7e8fdf5c8

Comic Company Folder Icons Full Product Key Free Download [Mac/Win]
