I am a native New Yorker, a graduate of the

Columbia University School of Journalism, an award winning reporter and a part-time dog walker. I love good food, great wine, interesting people and the simple things in life. I have done freelance writing for publications all over the world and I am now available to write about whatever tickles my fancy or your fancy. I am the founder of Lucky B&B, a social media application that helps consumers find the best places to eat, get a drink or just take a break from life in Washington D.C. Lucky B&B is based in the

Shaw neighborhood, home to cocktail bars, seafood restaurants, salons, breweries and boutiques. SUBSCRIBE With Lucky B&B, you can now subscribe to alerts on restaurants, bars, salons, breweries, shops and music venues in the District of Columbia. "We're still a ways off, but at least the potential exists for an innovator-driven future". The Tesla Model 3 is expected to deliver between 200 and 300 miles a charge on its standard battery in standard conditions, with more than 300 miles on the

same. But it's clear that Tesla has never expected to sell a million Model 3s in a day. Their sales numbers are likely to be
