
The Sims 3 Penis Mod

OMG for the original post. I am in favor of a modified installation and do not give up this time. Installation - You must first have the creators penis mod. Copy "PenisMod.exe" - You should now have something that looks like this: - Then, you should have this: - Paste this into your mod. - Now you should have this: - Finally you should have this: - You can also use this: - Or you can also use this: - For this you need to do this: - Now you should have this: - Now that you've done all of this, you should have this: - This will be your final setup: - You should now have this in your mod: - That's it.
